
Membership is for the calendar year – January through December (And don't forget that your membership is tax deductible!).

We encourage you to “give the gift of art” this holiday season – and all year long! Maybe you can purchase an original piece of art for someone special, or consider giving a membership to a student or friend who has expressed an interest in becoming a member. Stop in and peruse our array of colorful cards and posters that might make a good stocking stuffer!

We also thrive because of the work of our volunteers. Even if you only have a few hours to give, we would welcome your participation! Consider becoming a docent (a receptionist/guide at the Cultural Arts Center), or help us hang a show. No experience is required, and it's easy to learn! Perhaps you are a great baker and could donate a few goodies for a reception. Let us know how you might be willing and able to help.

Let's work together to make 2018 the best year yet for the Whitewater Arts Alliance!

Sincerely,

The WAA Board of Directors

Whitewater Arts Alliance

Hello Arts Lovers!

It's that time of year again – time to renew your membership in the Whitewater Arts Alliance! And if you weren't a member in 2016, it's time to join in the fun! 2018 was another great year for the WAA, and we hope you were able to attend many of our events. Highlights of the year included:

- *We were once again fortunate to be able to schedule monthly exhibits in our gallery. These included the annual members' show, the annual Fran Achen Photography contest, Artrageous Birds, and the artwork of the Whitewater School District students, just to name a few. Area artists are discovering our gallery, and they continue to ask us for a time to exhibit their work.*
- *Performance once again played an important role in our schedule. We hosted Savory Sounds, the Lincoln School African drummers, and many individual artists.*

Plans for 2018 are well underway and include another fully booked year in the gallery, and even more performance events.

We continue to try to provide great benefits for our member artists. These include:

- a decreased commission on gallery sales
- discounted workshop fees
- the ability to sell art in the gallery all year
- commission-free members' exhibit

Be sure to check the added page to the WAA web page which will have the links to member artists' own web pages (if they wish!)
